vertex

Vertex ladice odlikuje elegantan dizajn ravnih linija.
Savršene su za opremanje vašeg namještaja slijedeći najnovije trendove dizajna i funkcionalnosti.

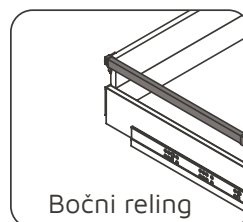

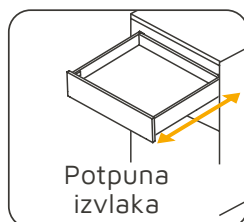

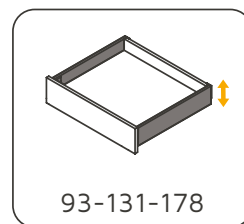

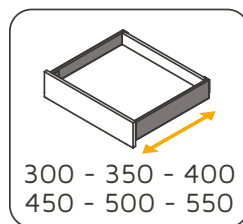

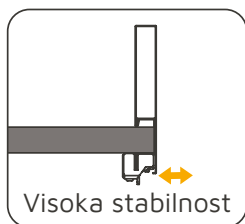

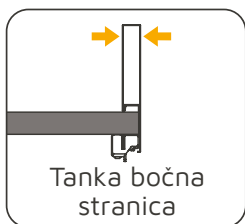

Karakteristike

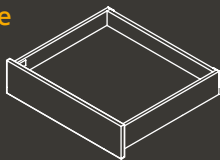

Ladica se ističe zbog trodjelne teleskopske vodilice, reducirane visine, koja nudi stabilnost i bešumno klizanje ladice. Integriran soft close mehanizam i nosivost 40kg po ladici.

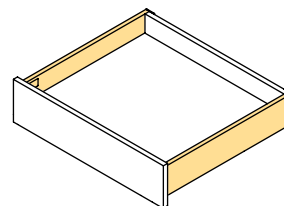

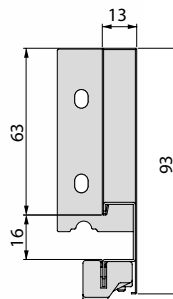

Bokovi ladica dostupni su u bijeloj saten boji RAL 9003 i tri visine (93, 131 i 178 mm) u različitim dubinama.

• Sve dimenzije su iskazane u mm

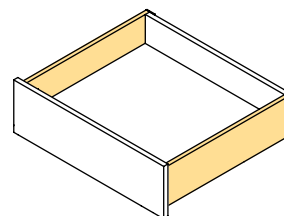

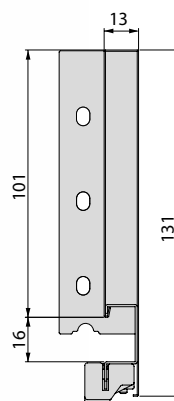

LADICA

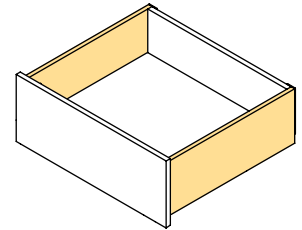

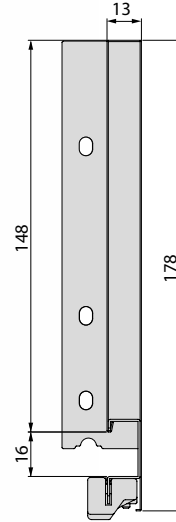

- u set su uključeni svi sastavni dijelovi ladice osim fronte, leđa i dna
